Wasn’t 2006 a fabulous year? Fostering kittens, fried worms, and all those fun games and crafts. Well we have to get off to a great start or the whole year will be shot. Well maybe not but that doesn’t mean we can’t have a party just in case.

So the first Friday of the New Year will be a jammin’ great time. We will have a mini countdown and make party hats. Good food, extra adults around to help.

I decided on a Saturday matinee as most movies won’t start until later in the evening and we couldn’t get back to Sunnyslope in time to close.

We do have a few concerns. One is cost we can either have a fund raiser or we can ask each family to pay for their child as the program can’t cover it. The last is which movie. If you have any ideas please feel free. The movie needs to be appropriate for ages 5-12. Any suggestions for a fundraiser or movie would be appreciated.

Happy New Year

Way back at the beginning of the year I had an idea that I just can’t shake. I passed the idea past the kids and a few parents and I think it just might be a winner.

I want to have a special day where all kids enrolled into The W.O.L.F. Pack are invited to join me at the movies during a Saturday matinee. Families would be welcome as well and we would have a few fun games and the best start to a new year.

I can’t wait…it fact I am counting down the days.

Special Day At The Movies
Getting Rid Of Bad News Bullies

Bullies are something we hear about and unfortunately no matter what the age there seems to be bullies everywhere.

This month we celebrate Martin Luther King Jr.’s Birthday and during the week of the 22nd–26th is National No Name Calling Week. What a great opportunity to work on the issues of labeling, name-calling, bullying, and ____.

The W.O.L.F. Pack will be creating posters for the school and we will be doing some role-playing and discussions to help us better handle these issues.

We hope to get some guest speakers who will share some of the things that make them special.

Fun Night Preparations

This year our program has been asked to help with the decorations and setup of the 2007 Sunnyslope Fun Night.

We will be making some theme projects to decorate and also our auction item. We enjoy helping the PTSA and the school out. Be sure to come and check it out.
